**PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT  
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Sir:

From the Notice of Abandonment mailed on June 6, 2002, Applicants learned that the above application has become abandoned for failure to respond to a Notice of Missing Requirements with a mailing date of May 3, 2001. A response was required by July 3, 2001. Applicants' undersigned attorney never received the above Notice of Missing Requirements. Applicants therefore request the withdrawal of the holding of abandonment of the above application and entry of the attached corrected translation.

Communications from the USPTO have been regularly received at the DC and Virginia offices of the undersigned at the addresses indicated on the Notice of Missing Parts and the Notice of Abandonment for over five years. The undersigned attorney reviews all communications from the USPTO and docket due dates for response prior to entry in the file. The undersigned attests that no Notice of Missing Requirements was received by mail for the above application. The attached docket sheet for the month of July, 2001 shows that there is no entry for the above application (Docket No. SHI 2440). The undersigned has searched the file of the above application and the Notice of Missing Requirements has not been found.

Sérial N<sup>o</sup>. 09 806 263

The PCT help desk sent a copy of the Notice to the undersigned by facsimile on June 19, 2002 so that the undersigned could determine the nature of the missing requirement. It appears that the translation was considered defective because the text in the drawings was not translated.

Enclosed is Transmittal Letter with an English translation of the text in the drawing and the processing fee.

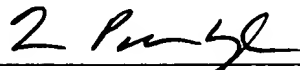

A Credit Card Payment Form for the Petition fee is also attached.

It is respectfully requested that the holding of abandonment be withdrawn and that the enclosed translation of the text in the drawing be entered in the application so that the application may be forwarded for examination.

Respectfully submitted,

UM ET AL
